In the morning I'm gonna get my things together

Packing up and leave this place

I don't believe you'll cry, there'll be

A smile upon your face

I didn't think how much you hurt me

It's something that I lught about

Bring in the good times , baby

And left the bad times out

That old sun keeps on shining

But someday it won't shine for you

In the morning I'll be leaving

I'll leave your mother too
