INTRO:  E7M(9)                      A6/E
        E7M(9)   E6    E7M(13)   A6/E
```

```
F#         C#            G#m
   Angel came down from heaven yesterday
B                    E                        F#        C#
   She stayed with me just longh enough to rescue me
F#          C#          G#m
   And she told me a story yesterday
B                    E                        F#            E
   About the sweet love between the moon and the deep blue sea
```

```
B                       D         F#/C#
   Then she spread her wings high over me
                G#m        A#m    B            B4
She said she's gonna come back tomorrow
```

```
                   E                F#m
       And I said fly on, my sweet Angel
       C    A      D    D#       E
       Fly on through    the sky
        E                 F#m
       Fly on, my sweet Angel
           C    A          D    D#        E
       Tomorrow I'm gonna be   by your side
```

```
E  Eb  D  Db  C      A       D        D#
```

```
INTRO2 : E7M(9)      A6/E
          G6/E        A6/E
```

```
F#        C#                          G#m
   Sure enough, this woman came home to me
B                        E               F#            C#
   Silver wings silhouetted against a child's sunrise
F#        C#         G#m
   And my Angel, she said unto me
B                  E     F#           E
   Today is the day for you to rise
```

```
B                          D                      F#/C#
   Take my hand, you're gonna be my man, you're gonna rise
          G#m       A#m        B           B4
Then she took me     high over yonder
```
