**G** **Em**  
Oh where oh where can my baby be?  
**C** **D**  
The lord took her away from me.  
**G** **Em**  
She's gone to heaven so I've got to be good,  
**C** **D** **G**  
So I can see my baby when I leave this world.

**G** **Em**  
We were out on a date in my daddy's car  
**C** **D**  
We hadn't driven very far  
**G** **Em**  
There in road straight ahead,  
**C** **D**  
a car was staled the engine's dead  
**G** **Em**  
I couldn't stop so I swerved to the right  
**C** **D**  
I'll never forget the sound that night  
**G** **Em**  
The screamin tires, the bustin glass  
**C** **D**  
The painful scream that I heard last.

**REFRÃO**

**G** **Em**  
When I woke up the rain was pouring down  
**C** **D**  
There were people standing all around  
**G** **Em**  
Something warm going through my eyes  
**C** **D**  
But somehow I found my baby that night  
**G** **Em**  
I lifted her head, she looked at me and said,  
**C** **D**  
"Hold me darling just a little while"  
**G** **Em**  
I held her close, I kissed her our last kiss  
**C** **D**  
I found the love that I had knew I had missed  
**G** **Em**  
And now she is gone even though I hold her tight,  
**C** **D**  
I lost my love my life that night.
